Representative XXXX
Capitol Building
201 West Capitol Avenue

Dear Representative XXXX,

Please accept this letter as testimony in support of House Bill TBD to re-instate the Film Production Incentive in Missouri.

[Some points to bring up in your letter (some items may resonate more with businesses, cities or individuals - make the letter your own!):

- Why do you support the bill?
- Have you benefited from film or television production?
- Do you have specific examples of your business, city, or you are benefiting from this type of economic activity?

[Other good points you may choose to mention:

Talk about your project & willingness to look at MO for future projects if there is an incentive]

I appreciate your help and ask that you pass House Bill (TBD).

Sincerely,
